Phoenix, AZ – May 1- The 3rd Annual Soul West Fest takes place on Friday, October 18 - Sunday, October 20, 2019 to bring creators, diverse viewers and the film and music industry together for a look at today's most innovative urban filmmakers and musicians of our time.

Soul West Fest is an Arizona LLC whose mission is to promote and support Urban Films and Filmmakers, Soul Music, Urban Culture and Education. SWFF continues to bring awareness and initiate programs for the arts in education and financial literacy.

Soul West Fest is a gathering for the new age of information and storytelling that brings together visionaries across the industries and diverse audiences. Soul West Fest champions emerging and established voices, showcasing award-winning urban films and filmmakers, soul music, culture and new technology through premieres, exhibitions, talks and live performances.

During 3 days, we invite you to the Valley of the Sun to enjoy Soulful Sounds, Black & Brown Excellence, Great Food, Authentic Crafts & Merchandise, Ground-breaking Films, Original Music Videos, Informative Panels, Top Notch Events, Exclusive Parties as well as solid networking. Soul West Fest takes an original and imaginative approach to content because there are limited outlets for Urban Filmmakers and Musicians to showcase their talent collectively on a national stage.
